PARTNER PROGRAM

The bar program your luxury rentals *have been missing.*

TABC-licensed alcohol delivery, pre-batched signature cocktails, bartender coordination, and full bar setup — all from one Austin-owned partner. Built for the bookings that matter: bachelor weekends, weddings, lake trips, and corporate retreats.

★ TABC LICENSED ★ 17 SIGNATURE COCKTAILS ★ LAKE DELIVERY ★ SAME-DAY RESTOCK ★

THE GAP

Most concierge stacks fall apart at the bar.

Property managers route guests to grocery delivery (which can't legally deliver alcohol in Texas), book a separate bartender, or leave it as a guest problem. The result is a hospitality gap that costs reviews and revenue.

WHAT POD HANDLES

One vendor. The whole bar program.

01 **TABC-licensed delivery**
Beer, wine, spirits, mixers, ice. ID checks at handoff.

02 **17 pre-batched signature cocktails**
Texas spirits + Fresh Victor mixers. Plus mocktails.

03 **Bartender coordination**
Vetted, scheduled, supplied. Setup & breakdown.

04 **Lake delivery + same-day restock**
Travis, Austin, LBJ, Paradise Cove. Dock or door.

THE LEGAL DIFFERENTIATOR

We hold the TABC license. You hold zero liability.

In Texas, alcohol delivery requires a TABC license, ID verification, and proper insurance. POD carries all three — so you can offer concierge alcohol service to guests with no exposure.

What guests pour into their glass.

This is what shows up in their photos — not a red Solo cup. Real glassware, fresh garnishes, mixed properly. Your reviews will mention it.
